flexible solutions for  
your business needs

## EFFECTIVE, SUCCESSFUL RESULTS

Professional Search, Inc. has an outstanding reputation for providing quality candidates to match the client's requirements. We carefully screen our candidates BEFORE sending their qualifications to a client, to ensure that only the top candidates are being matched to the specific position. This method has effectively provided successful results to our clients throughout the years. Due to these successful results, many of our clients have come to depend on Professional Search as their primary agency when searching for a new employee or contractor.

## INDUSTRIES SERVED

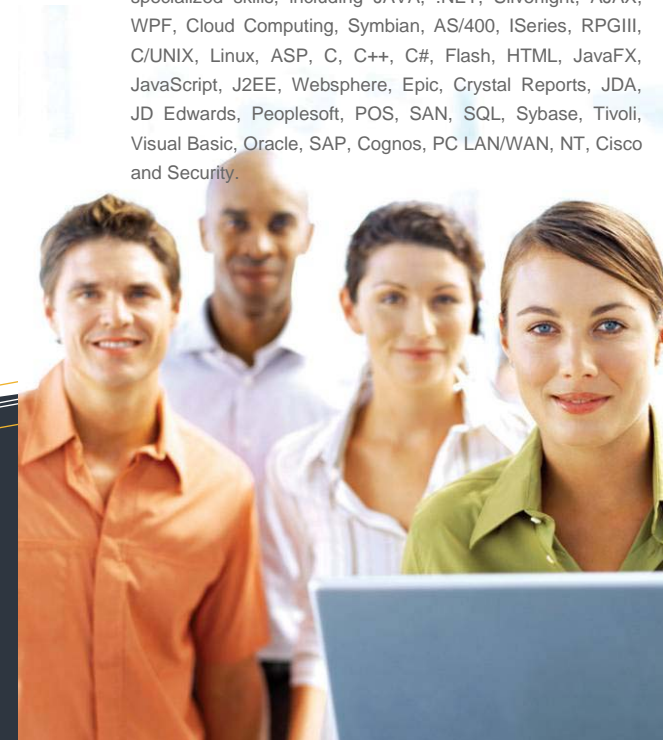

Professional Search has placed candidates in such diverse industries as Entertainment, Distribution, Manufacturing, Software Development, Retail, Defense Contractors, Finance, Mining, Utilities, and Insurance.
